

## LIBRARY NEWS – APRIL 2020 UPDATE

It is nearing the time when Casa Snowbirds return to their northern homes – myself included. The April 2020 Library News update will be the last update until I return in the fall.

Check the Library shelves for Library updates in the event information is required over the summer season.

IMPORTANT NOTICE: The Casa del Library is open and will remain open during the Coronavirus lockdown period.

**NEW RELEASES**: Books have been culled from the Library and New Releases have been added to the shelves for your summer reading enjoyment.

**DONATIONS**: Thank you kindly for all your ongoing donations of books, puzzles, magazines and so on. If possible, please hold your donations until November 1, 2020. Otherwise, please leave Library donations in the 'basket' beside the Library shelves. Thank you.

**RETURNED BORROWED BOOKS**: It is o.k. to pencil your initials on the inside cover of books that you have read. This is helpful for you and for me.

**BOOK REQUESTS**: Your input in terms of favorite authors and/or types of books you enjoy reading is always welcome. Now that I have been able to exchange books with a local book store, your input is important when I acquire books for Casa Library.

**SUMMER LIBRARIANS**: Thank you to Pat B., Cindi H, June J., Linda S., Sharon S. for offering to reshelv books during my absence. No need to reshelv your returned books – just place them in the basket and the summer librarians will reshelv your returned items. Thank you.

That is all for now. Happy reading and I look forward to seeing you on my return in the fall. Keep well.

Nancy McLean
